NAVIGATING THE GLOBAL WORKFORCE

Join us at the 5th annual regional SHRM International Human Resource Conference. Sponsored by the Texas State Council of SHRM, this one day event is designed and dedicated to those whose role, either large or small, is in the international human resources field.

Norman Rebin is this year's keynote speaker. Norm is a research panelist with the Global Future Forum. He has conducted over 4000 workshops, seminars and keynote presentations. Through his extensive global vision, awareness and expertise, Norm will provide leading edge recommendations and concrete examples of how HR professionals can "Navigate the Global Workforce".

The closing session will be led by **Al Lucia**. Al is back by popular demand and rave reviews from last year's conference. This year Al will close out the conference with a session entitled "The True ROI of Your Employees."

The general sessions and workshops are led by International HR practitioners as well as various experts in the international arena. This year's sessions will have country specific topics to help the international HR professional learn how they can best support their foreign operations. All of the sessions will provide you with resources and knowledge to incorporate into your daily global business experiences. An exhibit area will host sponsors and exhibitors that support the international HR community. Visit the exhibit area to see the latest products and services available.

Registrations are accepted online at www.tsc-shrm.org or by fax or mail. There are special hotel room rates of \$102 if reservations are made by October 18th. Use the three letter code of TSC to confirm the rate. Call 800-Hiltons directly.

Continuing Education Credits will be offered for PHR, SPHR, GPHR, CRP and CPA.
